Etiquette in the Studio

- | | |
|---|--------------------------------------|
| • Clean after yourself | Think Safety |
| • Ask Questions | Return all studio tools clean |
| • Cover your work well (Plastic all around) | Touch only YOUR work |
| • Store work on the SMALLEST ware board | Fabric ONLY with clay on slab roller |
| • No sanding in the studio | Keep a notebook |
| • Keep glazes separate from raw clay | Conserve Water |
