Additional Information

- Students may wish to explore mediums other than colored pencil, including acrylic or watercolor paint, pastel, or others. You're welcome to bring your own mediums and supplies for this purpose!
- All materials (unless otherwise noted) may be purchased at any supply and craft store, including Michaels, Blick, or off Amazon. The teacher encourages students or guardians to shop locally when possible (but I ain't judging).
- My personal favorite store is FLAX, locally owned and operated, with locations in Oakland and San Francisco. They also ship locally: [Flax Art](#)
- Please let me know if you have any trouble or questions purchasing supplies. When in doubt, don't sweat it.
